

24-Month Statement History

Thabo Mokoena | account-activity evidence window | 13 Aug 2024 to 12 Aug 2026

CASE-EVIDENCE SUMMARY		
Metric	Value	RETRIEVAL NOTES
History rows	193	This workbook is historical account evidence and contains no incident classification or case decision. Current reported items are held in separate current-event logs and are not duplicated here. Relationship, channel and beneficiary patterns must be derived from the transaction rows. The history represents an aggregate cheque-and-savings evidence window. The workbook records historical transactions and balances only.
Window start	2024-08-13	
Window end	2026-08-12	
Closing aggregate evidence-window balance	R214,800.00	
Prior fraud disputes recorded	0
